About Me

That's me!

Hello! I'm a student who loves building things for the web. I started learning HTML recently and enjoy turning ideas into working pages. Replace this text with a short story about yourself and your goals.

Skills and Interests

Skills

- HTML5 and semantic markup
- Git and GitHub
- Python basics
- Problem solving

Interests

- Web development
- Open source
- Cricket
- Reading

Featured Work

- See my projects
- Read my latest blog posts
